EDUCATION

SANT DNYANESHWAR VIDYALAY	2021 - 2022
Complete 10th board - Percentage 90%	
GOVERNMENT POLYTECHNIC MUMBAI	2022 - 2025
Pursuing Diploma in - Information Technology	

WORK EXPERIENCE

Ineuron.ai	Jan 2025 - Present
Full Stack (Project Intern) - Remote	
<ul style="list-style-type: none">Designing and developing a Doctor Appointment System using the MERN stack (MongoDB, Express.js, React.js, Node.js) to streamline patient bookings.Building responsive and user-friendly interfaces with React.js to ensure smooth navigation and enhanced user experience.Developing and integrating backend APIs with Express.js and MongoDB for real-time data storage, retrieval, and updates.Strengthening system security by implementing robust user authentication and role-based access control features	

PROJECTS

SIKHLEY	
Worked on an LMS (Learning Management System) platform built with modern web technologies, including Next.js, Node.js, TypeScript, and React, with MySQL serving as the database. My role involved creating intuitive Figma designs and implementing the frontend functionality to ensure a seamless user experience. The project featured robust authentication mechanisms using Clerk and integrated Stripe for secure and efficient payment processing. This project enhanced my skills in frontend development, UI/UX design, and integrating advanced web technologies.	
CHEAP-FLIGHT	
Developed an Airline Booking System using HTML, CSS, and JavaScript, focusing on creating an intuitive and user friendly interface. The project allowed users to search for flights, view available options, and book tickets seamlessly. This experience strengthened my skills in frontend development, enhancing my understanding of responsive design and dynamic web interactions	

SKILL

- Programming Languages & Frameworks:** HTML, Tailwind CSS, JavaScript, Bootstrap, React js
- Tools & Platforms:** Git, GitHub, Figma
- Testing:** Manual Testing
- Soft Skills:** Leadership, Communication, Problem-Solving

CERTIFICATE

- Certificate Of completion Blender Training of IIT Bombay
- Great Learning HTML and CSS
- CodeClause Python Development
- Digital Productivity offered by NIIT Foundation
